7. The Committee reserves to itself the right to refuse entries.
8. Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
9. The mating of bitches within the precincts of the Show is forbidden.
10. **Best Puppy in Show:** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively.
11. **Best in Show** Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.

- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
20. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be refunded.
21. Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
22. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.
23. An announcement prior to the date of closing of entries in Our Dogs of any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.
24. All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.
25. Please do not obstruct gangways with trolleys. Storage space will be made available for trolleys/ cages.

Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A First Prize does not include a Special Prize of whatever value. If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

ADVISORY NOTICE

NOT FOR COMPETITION Societies may at their discretion, accept Not for Competition entries. Societies may accept such entries from breeds of dog not included within the title of the Society and at Shows held over more than one day, such entries may be accepted on any day from any breed.

USE OF ELECTRICAL EQUIPMENT AT SHOWS

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
